DEFINITIONS OF SCHOOL RATING TERMS

- Excellent School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

^{*} Ratings are calculated with data available by 04/27/2015.

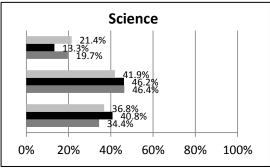

South Carolina Palmetto Assessment of State Standards (SC PASS)

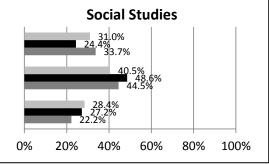

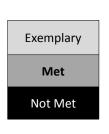

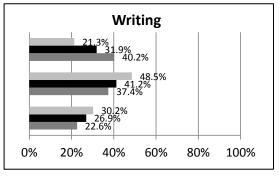

^{*} Elementary Schools with Students Like Ours are elementary schools with poverty indices of no more than 5% above or below the index for the school.

Definition of Critical Terms				
Exemplary	"Exemplary" means student demonstrated exemplary performance in meeting the grade level standard.			
Met	"Met" means student met the grade level standard.			
Not Met	"Not Met" means that the student did not meet the grade level standard.

Report of Principal and School Improvement Council

Great Falls Elementary School is a Title I school in rural Chester County in the upper state of South Carolina, situated approximately halfway between Columbia, SC and Charlotte, NC. The percentage of students at Great Falls Elementary who received free or reduced lunch for the 2013-14 school year was 75%.

Learning, not teaching continues to be the major focus of Great Falls Elementary school as we continue our journey of becoming a Professional Learning Community. As a professional development school and learning community, the master schedule allows grade level teams to meet each week for a common planning time. This enables teams to plan and create common assessments on a regular basis. It also allows teachers to share best practices and strategies that have proven to be successful, resulting in an increase of student achievement. In addition to common planning time, all teams have a common lunch time to allow time for additional communication.

Our principal provided teams with a collection of templates to help guide their work. The templates consisted of SMART goal and team planning sheets to assist in setting a purpose and goal for our team meetings. The teams create norms together and review them annually to maintain time on task during meetings. Teams create SMART goals to guide instruction and progress, analyze data, and reflect to determine if the goals have been met. A data analysis sheet was provided to determine students' strengths and weaknesses on assessments and to establish a plan for interventions and enrichments. Finally, a team feedback sheet serves as a source to evaluate our team's performance.

Teachers collaborate with the literacy coach, interventionist, and fine arts teachers to plan intervention strategies. Data results and student performances are shared to determine areas of emphasis for remediation. A plan is developed and implemented to meet students' needs and provide additional support. Students' progresses are monitored and intervention plans are adjusted as necessary. During the 2013 – 2014 school year we implemented many new intervention strategies which included: Power Hours, a before and after-school tutorial program based on specific student needs, Success Maker, a computer based instructional program where students in grades 3rd – 5th were required to attend according to a specific schedule. The entire administration, faculty and staff served as interventionists and tutors to all students regardless of the grade level or position held. We adopted the theme "All for One and One for All" and I applaud the entire school community for being committed to our efforts.

Students in grades K- 2nd were provided tutoring by the local churches in our community, once per week.

Great Falls Elementary remains a Professional Development (PD) School with the Winthrop University NetScope grant program. The partnership between Winthrop and the school is two-fold: to increase student achievement and assist in developing high quality teachers. Great Falls Elementary was named a Microsoft Mentor School in 2013. Our staff is dedicated to building our Professional Learning Community and is confident that scores will continue to rise. We are stars of excellence..... determined to shine!

Wendell B. Sumter, Principal

Nancy Jolly-Smith, SIC Chair

Evaluations by Teachers, Students and Parents			
	Teachers	Students*	Parents*
Number of surveys returned	27	48	26

^{*} Only students at the highest elementary school grade level and their parents were included.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	85.6
Overall Grade Conversion	В

Index Score	Grade	Description
90-100	Α	Performance substantially exceeds the state's expectations.
80-89.9	В	Performance exceeds the state's expectations.
70-79.9	С	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Great Falls Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
X	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.

Teacher Quality and Student Attendance
